### The Premises:

Erotic Studios is located on a fairly busy street but it still has some discretion for clients.

You arrive at a gate press the buzzer and get let in by a maid. It's my first visit and the maid looked cheerful enough, and maybe good for a maid watching session...

Got shown straight to the room and offered a drink.

No shower was offered.

Declined the drink and waited for the 2 ladies to come and introduce themselves

Once Aleesah had introduced herself to me, my mind was made up.

### The Lady:

An attractive- physically and personally- mid 20's Indian lady.

Extremely friendly and pretty, dressed in a black body with underwear underneath and high heels.

Her profile description matches Aleesah very well.

She was wearing a black body and high heels and shiny lipstick.

### The Story:

On entering the room We sorted out the paperwork and I asked Aleesah if she kissed. She replied of course how can we get intimate without kissing.

So we started kissing . Aleesah kisses with tongues and genuinely enjoys it.

Aleesah stripped naked and it looks like she has lost some weight but is not unattractive for it.

For the first time I was using a little blue pill and the sheer sexiness of the encounter soon had me rock hard.

I gave Aleesah reverse oral that she seemed to enjoy and then received covered oral, plenty of eye

contact and ball licking.

I was eager to get inside Aleesah and so asked her to lie on her back for missionary.

All the time Aleesah was talking dirty and expressing her enjoyment of having me inside her. She seemed she was enjoying it and she was encouraging me to fuck her harder which I did, before shooting into the condom.

After a little time to rest Aleesah offered me a shower which I took.

Got dressed and Aleesah showed me out with a final little kiss.
