The Lady:

Foxy is everything her pictures would suggest and her mind is as sexy as I have ever found!

The Story:

This was actually 2 visits as the first half hour simply wasn't long enough so I went to the bank and came back for an hour!

Foxy was simply wonderful, not only sexy, beautiful but as naughty as they come. She was willing, actually scratch that she was keen to do everything I asked of her and she even suggested a few things I hadn't thought of!

I have actually been back to see her on 2 further occasions and each one has gotten hotter and hotter.

Details of what actually happened between us will stay between us but I don't think the word "no" is in her vocabulary!

I didn't really want to write this review, not because I want to keep her to myself. I'm experienced enough to know that she would wear me out sexually plus I would love to see her in action with others so I really don't want to keep her to myself.

I didn't want to write this as my words really cant do her justice, you simply have to experience her!
