The Premises:

I met Boe at her flat which was inaccurately clean and had a really nice power shower that I used both before and after our experiences together. I believe it took me under 10 minutes to locate her flat once I had walked out of South Kensington and considering I'm not from London, I found it both easy and convenient.

The Lady:

Boe's pictures must be reasonably new as her hair colour was the exact same lilac shade. Her breasts are incredible and I will vouch for the fact they are 100% real, which I must add, made them all the more attractive. She was friendly from the moment she opened the door and continued to make sure I was comfortable and happy with the way things were going throughout.

The Story:

I'm not one to speak about all the ins and outs but what I will say is that Boe knew what she was doing and effortlessly pleased me on more than one level. This woman is one of a kind and I shall be seeing her again on my next trip to London.
