### The Premises:

A private flat in Sussex Gardens. The entry was very discreet and there were bathroom facilities inside.

### The Lady:

An absolutely lovely slim and busty Romanian girl. She was very pleasant throughout my session.

### The Story:

A very enjoyable session with a classy young girl. Her profile pictures are very accurate and her breasts are large and natural. Not the firmest I've felt, but lovely all the same. I began the session with a shower. I think safety and cleanliness are very important to Melyssa-maya. The session commenced with me thrusting my cock between those gorgeous breasts while still standing. On went the condom and I received a brief few moments of very sensual oral. We then had sex in missionary and doggy positions before I removed the condom and let Melyssa-maya finish me by hand.
