The Premises:

Been to this place a few times, easy to find, discrete and close to tube etc

The Lady:

Stated aged 27 this lady is late 30's if not older. Good physique, fit body, looks are fading though with age

The Story:

Started off okay with FK, no DFK but that was okay but that stopped after about 5 minutes, then just got continued complaints about sensitive nipples, don't go near them! The kissing dried up completely, then told I was going to deep would burst the condom etc! After about 15 mins in total, I'd had enough, I said let's just call it a day.

The worst experience I've had, never had a problem at HOD or Annabellas before ever. The attitude of Joanna is frankly diabolical.
