### The Premises:

Apartment in South Kensington, super easy to find, not far from tube station. Clean and tidy inside, with a nice shower etc.

### The Lady:

Looks like her pictures, slight retouching, but definitely the same girl. Very slim, small perky boobs. Just the right age as on website - mid 20's.

### The Story:

This was a last minute recommendation from Angels because I was supposed to see another girl they set me up with and she wasn't answering the door for some reason (not the agency's fault). Slightly embarrassing, but it worked out for the best because Tania was a good choice, and luckily in the same building! In fact I'm quite impressed at how well they all recovered from the mistake: the agency and Tania. I found her ready to entertain and very happy to see me despite the very short notice.

She was wearing just a bra and a tiny pair of panties, matching. She greeted me with a warm and passionate kiss, and she made me feel very relaxed. After a shower she commenced some lovely OWO, nice and slow. She looked at me the whole time she was doing it. She has a very nice way of using her tongue all over the old chap, very gently and teasingly.

She invited me to have sex with her with me on top to begin with. She liked this a lot, and it's very nice to be able to cup both ass cheeks in your hand when you're doing this! Moved onto doggy and laid flat etc. and as I got tired she finished me off with some more OWO and a lovely hand technique.

Overall a happy punt. Not as good as the others I'd had in the past few days, but still very nice indeed!
