### The Premises:

Discrete entrance and stairs just away from some shops leads to a well appointed apartment. Good parking. Clean and salubrious room. Didn't use the facilities.

### The Lady:

Beautiful and sexy. Black hair, gorgeous eyes and lips and a great body. Tall and slim with just enough curve to be interesting. Great skin. Defo the girl in the pictures.

### The Story:

I was greeted at the door by the lovely Gabrielle. She offered a drink and sent me upstairs. After a short wait she came into the room. Wow! I normally like to exchange pleasantries but Gabrielle wanted to get straight down to business and to be honest I was more than happy to oblige her. Lots of kissing (not much tongue), lots of touching and fondling. Very sensual. Some divine OWO. She likes being kissed all over, including DATY and we enjoyed each other's bodies for a little while. She asked if I wanted to move on to sex and again I obliged. She asked for my preferences and then we did mish, cowgirl and finished with doggie. (A bit kinky but there was a mirror!) Time was tight but I never felt rushed, but I did feel well catered for. Amazing service from one beautiful sexy lady. Comms with the agency was good.
