The Premises:

Victoria House is a well documented parlour, with communal changing rooms.

There is a sauna and hot tub but neither were in use.

It's a nice place but may need a little tidying up around the edges.

The Lady:

A beautiful lady, long brunette hair, and a very pretty face. Dressed in underwear stockings and heels.

VH girls always used to wear a black dress which gave a nice sense of discovery when they removed it in the room. This seems to have disappeared which is disappointing.

Reni was chatty ,quietly spoken very friendly. She does not have big boobs but they are a nice shape.

The Story:

I asked for the GFE with kissing.

We started with a massage on the bed which was very pleasant, plenty of between the legs teasing. Reni asked me to turn over and we started kissing. I then performed reverse oral on Reni which she seemed to enjoy, her pussy was a beautiful sight to kiss and lick.

As we progressed Reni removed parts of her underwear until she was naked except for stockings.

Kissing with Reni, she did a little kissing with tongues and she tasted delicious.

Reni then suggested a 69 position with covered oral. This was fantastic. I was lying on my back with her pussy in my face and receiving a wonderful session of oral, and I could watch it all on the ceiling mirror.

My cock was rock hard and the quietly spoken Reni declared that she wanted to be fucked hard on the massage couch.

We moved to the couch, I asked for Reni to put on her heels.

I entered Reni and her reaction was amazing. She became very vocal and was talking dirty, asking me to stretch her pussy with my cock. I was very hard with her we made plenty of noise as I pounded her pussy.

I bent to kiss her and had a spasm in my back so I had to stop, however Reni suggested I lay down and she finished me by hand.

I will definitely see her again, a lovely lady with a really dirty side to her.
