The Premises:

Parking around the corner no problems. Nice and easy booking with clean and tidy rooms.

The Lady:

Francesca is much better in the flesh than her pictures. I would say about 5ft 6, long blonde hair, pretty face, slim body and a very nice person to meet.

The Story:

This is my second visit in 2 weeks to see Francesca and I really can't get enough of this lady. She entered the room and I was in the shower, came over to give me a quick kiss and hand me a towel. Then I had the proper welcome of her wrapped around me with a lovely long kiss. Great owo and sex.

To see this beautiful woman sitting on top of me is a great image in my mind. At one point she looked like she was really enjoying herself and held me tight, I do hope she enjoyed our time together.

After a clean up she lay with me on the bed just chatting for a while about things we have both done in life and would like to do in the future. She is so easy to talk to and made me feel very much at ease. Laying next to this gorgeous woman looking into her dark eyes, looking at her gorgeous smile whilst stroking her smooth skin was something special for me.

This lady is pretty amazing in my view and that gorgeous smile could light up a room.

Thank you Francesca I will see you soon.
