The Story:

It was an enjoyable session in a comfortable and modern location. I started by having a shower and that was followed by a relaxing massage. It was a medium firmness massage mostly around my neck and shoulders. I was feeling a little bit tired so I wasn't erect at the turnover moment. I played with Sassy's ample breasts which did the trick. On went the condom, with a bit of a struggle, and I received very enjoyable covered oral. We concluded the session with sex in doggy position.
