The Lady:

As per the photos, a slender English girl with the most cut glass accent and a very cute smile. She has a body to die for.

The Story:

Anastasia was my choice for a dinner date during my stay. I discussed my requirements with the Saucy agency, who were helpful in pointing me in right direction.

Anastasia was great company during dinner. Very easy to talk with and very interesting too. An upper crust young woman but very down to earth at the same time.

In the bedroom, I found her skills to be superb. She gives great head. Trying her best to deepthroat and her rimming skills were remarkable. In face she loved kissing me all over my body. She provides CIM with dirty cum play.

She suggested getting down to the sex, so on with the condom and she hopped on in Cowgirl and began riding me for all her worth. We went through a variety of positions including RCG and Mish, with lots of DFK, before ending up in my favourite doggie.

She left me worn out, I spent a number of nights dreaming of this fantastic experience.
