### The Premises:

Pleasant, discrete ground floor flat located a tone's throw from Pimlico underground station.

### The Lady:

Extremely beautiful young woman whom I had difficulty believing is almost 29, she looks far younger. Her pictures are accurate and in my opinion she looks far better in the flesh. Curves in all the right places with beautiful breasts and a beautiful vulva.

### The Story:

Wow, not sure where to start as there is so much good to say about Bethany.

From the moment she walked in I knew I had made the correct choice. I handed her the money and she immediately moved into kissing which she is most definitely skilful at. She was dressed in a thin black gown which when opened revealed a lacy top covering a black bra, panties and stockings and suspenders. taking these off felt like unwrapping the best Christmas present ever and the suspenders and stockings for me where an added bonus.

We started with fondling one another (me fingering her and her playing with my cock) laying side-by-side on the bed. She seemed to really enjoy this and apparently achieved an orgasm simply through stimulation of her G-spot. We moved onto RO which Bethany seemed to really enjoy to the extent of her apparently having an orgasm whilst she clenched my hand tighter and tighter. After this the condom went on and she rode me to completion and an incredible orgasm whilst we looked into each other's eyes. All of this was accompanied by lots of kissing and affection from Bethany.

The highlight for me was being able to just lay with Bethany for the remaining 15 minutes or so and simply talking whilst she lay draped across me. She is clearly an extremely intelligent and erudite woman in edition to being drop-dead beautiful. As we talked and I discovered more about her I found myself becoming more attached to her and the feeling seemed to be mutual with Bethany holding me tighter and kissing me more intensely as we spoke.

Alas it was soon time to go and Bethany led me to the shower before letting me out. Truly a

wonderful experience and I cannot recommend her enough. I will be making another booking as soon as I am able to in order to see Bethany once again.
