The Premises:

Nice place, not too far away from the station. Easily accessed from outside because it's a basement flat, so no need to get buzzed in and climb a load of stairs (always a bonus!) Clean and tidy, with good facilities.

The Lady:

Lavina is perhaps a little older than her profile suggests on the website, although she does look very nice indeed. I would put her in her mid 30's in reality. Great body, her hair and figure closely match her appearance on the website, with a little retouching here and then of course. Pretty good level of English too.

The Story:

She was dressed in lovely matching black lingerie, panties, bra and a matching suspender belt (no stockings though) Looked stunning! Really nice big boobs. Lavina is very relaxed and it was a very relaxed, laid back session, just like I like it. She wasn't afraid to get straight into the action with some very passionate kissing and nice OWO. Not the best I've had, and not too deep, but it was very nice, none the less.

The best part of this meet was the sex (and this isn't always the case!) Lavina is a very horny woman. She got on top and really took the reigns, so to speak. Slow and sensual grinding, with the occasional faster movement. It was clear she was getting into the action as much as me. Moved onto missionary and we both got very close and very sweaty here. Those boobs are great to hang onto! It was in this position that Lavina came and she loved it!

Took her from behind in spooning position next in order to play with those boobs some more. They're enhanced a little I think to be honest, but not so you'd notice to look at them, only to squeeze. Probably just an uplift or something considering her age (I'm no expert). I decided I'd like to end with a blow job, which Lavina willingly obliged. No cum in mouth (I didn't have the extra anyway), but lovely finish none the less. Nice chat at the end, lovely woman, would recommend!
