The Premises:

A very discreet 1960s flat in a block. It was located between Old Bexley and Bexleyheath shopping centre. Bexley station would be the nearest.

The Lady:

A busty Polish girl. Probably size 16 with DD breasts which were firm and natural.

The Story:

I actually enjoyed the punt despite preferring slim size 10 and under girls. The session started with a relaxing oil massage on the bed. It wasn't a professional massage more the amateur stroking kind. The good thing was it made me very aroused so at the turnover point I was suitably erect. Candy then tit wanked me before we switched to me standing and tit fucking her until I came over them.
