### The Premises:

Great location, only short walk from tube station. The apartment is spotlessly clean and tidy. The dungeon is well equipped and nicely decorated.

### The Lady:

Professional mistress with heart and passion.

As beautiful as in the photo and even more fit than I can imagine. She is German with lovely blond hair and definitely knows how to dominant as well as being sensual at the same time.

### The Story:

After entering her apartment, Mistress Gina standing in front of me with a black latex bodysuit. Her extremely fit and beautiful superior look instantly making me feeling submissive!

She stepped forward and looking straightly into my eyes and I immediately feel her dominant power which making me the need to knee down. Just when I bending my knees and going to knee, she said "Don't! Unless I order you to!". She then guided me to sit down and began to asked me questions on my experience and what my interests are!! I told her everything including all my likes and dislikes! She was extremely patience in listening and paid attention to all the details. She even provided good suggestions to meet my fantasy.

After the brief but effective chat, she already fully understood all my needs! She told me to get naked and knee down. She then put a collar on my neck and told me that once the color is on, I'm her slave and need to be absolutely obedience! Of course need to call her mistress and cannot speak unless being told to!

The session then began... A lot of body and foot worshiping, nipple and cock torturing/teasing, spanking and bondage!! All that I asked for and even more!!!

She seemed to be able to read my mind. Knowing the perfect time to stop or to carry on in each activity! She was keeping me on the edge all the time which I could not even control myself but to follow all her commands!! I was in heaven and didn't know how long it passed. Then she told me to lay on the floor and directly pissed into my mouth. Meanwhile she continued to tease and torture my

cock and nipple!! I was almost spaced out into ecstasy!!!

Finally, she flipped me over and being to fingering me! Starting from one finger to 3 fingers!!! Then followed by strapon fucking.... I was so aroused and she ordered me to start stroking my cock!! I was on my edge in no time and she asked me to beg for permission to cum!! After begging for around 5 min while she is keep fucking me, I'm finally allowed to cum!! I was cumming like I never cum before!!! She ordered me to beg to clean the cum off and of course I did!!! I licked all the cum off the floor and swallow every bit of the cum!

It was a fabulous session and nothing I could asked more!! She definitely captured my mind and heart!! What a wonderful experience!!

Highly recommend Mistress Gina and I cannot wait to be back again.
