### The Premises:

Nice and easy to find flat in South Kensington. Always a pleasure going here. Comfortable place, clean and tidy, with good facilities etc.

### The Lady:

What a woman! I'll begin by telling you that Love looks just like her pictures, but there is some retouching. The retouching has smoothed some of her curves to be honest, but those boobs are just as big and just as lovely as they look in the picture. She's a "big girl," and what some would call a BBW, but I've always struggled with what exactly qualifies a girl as this. I thought she looked amazing, and when I got hold of her, there was a lot to hold and it was all great, firm and curvy. Absolutely loved her, and she made a pleasant change from some of the much slimmer girls I've seen from these agencies.

### The Story:

She was wearing the black what looked to be the same black lingerie as she wears on the website, with a pair of heels. Amazing sight! I was a little disappointed that she'd stripped naked by the time I finished in the shower, but I wasn't about to complain! Spent a long time playing with her boobs (I'm a real "tit man" when I want to be). Followed by some great OWO, nice and wet, mixed in with her rubbing the old chap between those boobs.

Sex was very enjoyable. She was on top first and her size certainly doesn't stop her moving around and bouncing up and down. She really got into it. Was lovely having those boobs in my face. Followed by missionary. It was here that I got a hold of everything, and there's a lot to hold. Still has a great firm ass and she kisses really passionately. Turned her over and laid her on her front with her boobs out either size. Had a lot of fun in this position before deciding to finish with some more oral and a nice wet titty fuck. Finished in between those puppies!

Great girl! Had a wonderful time and I'd see her again anytime.
