The Premises:

The place has been documented many times before, on a busy street but very discreet entrance. Rooms are always clean, fresh and made up... and always a very well run establishment by the owner.

The Lady:

Stacey is very sexy with all the curves in all the right places, lovely ample bosoms, sexy head to feet "quite literally". Definitely the lady in the pictures.

The Story:

Making arrangements to see a lady at this very well run establishment is always seamless and a pleasure, the owner delivers an amazing service to all her naughty boys, and I have never had a problem... After arrangements were made, I arrived early and chatted with the owner for a bit, that in itself is always a pleasure, makes you feel welcomed, relaxed and here for a bit of naughty fun, she mentioned the girls were running a little late to which was not a problem...

I briefly saw Mia found her stunning and a lovely sight for sore eyes, and Rose who equally was stunning lady, all friendly and puts you at ease, a lovely, fun and exciting place with beautiful woman "when can I move in" I have some hit and misses recently from other establishments but Stacey is definitively a big massive HIT for me and for this Establishment

Once the room was free I was up stairs like a whippet, cloths off, I didn't shower as I just had one before I left, a few minutes later Stacey entered and apologised for the delay, she looked fabulous, high heels, lovely face and a delicious figure. What transpired is between me and Stacey, however she kisses beautifully, deep kissing and her oral skills are second to none, "probably one of the best OWO I have ever had".. she really knows what she is doing down there. I never felt rushed or pressured... the whole experience was relaxed, erotic and sensual and she accommodated all my idiosyncrasies.

Another triumph, I hope to return and see her again and the other ladies. Stacey is up there with the now retired "I think" Keeley and Victoria, as the other girls I have seen recently "Katie".

The quality of the place and ladies working here always amazes me, I feel quite lucky to be living around here..
