The Premises:

Discrete entrance around the back of a beauty salon/hairdressers. Looks quite rough round the back, but inside is very clean, tidy and fresh. No smell of stale smoke, which is important to me as a non smoker. Pleasantly surprised! Parking available over the street in the shopping centre.

The Lady:

Shelley is in her early 60's, but has a superb body. Shapely, but not fat (size 10 to 12?) Tanned, mature blonde, with super tits, a sexy 'tramp stamp' tattoo, and best of all, an arse that is out of this world. I'd not seen Shelley for ten years, and was surprised as to how fit she still is!

The Story:

After getting lost on my way there, I was met by a grinning Shelley at the door and shown upstairs. Shelley instantly puts you at ease, lots of conversation and laughter, and a real warmth to her. Sexily dressed she was having the right effect on me straight away! We snogged in the lounge, before carrying on to the bedroom and continuing our deep French kissing. Fuck me she is a great kisser! Really good. We were locked together, tongues entwined, hands caressing each other's bodies. We stripped then continued our kissing, her hands caressing my cock as it grew. Then she asked me to lie back on the bed. With an expert touch she leant over and took my erect cock into her mouth. Her saliva covering my bare cock, working every inch gently. Her hands (sexy painted red nails) massaging my balls and lightly teasing my ass. Shelley then licked the underside of my balls, wanking me and teasing my bum further, She moved up next to me on the bed, and we snogged more, her talk turning dirty as I asked her. She is one dirty talker! I needed to taste her ass now, so I got her to stand facing the bed, and I knelt behind her. What an arse! Seriously! I worked my tongue along her butt cheeks until it was probing her asshole, and continued for a while, all the time she was talking dirty, getting me going. I couldn't take it any longer, and stood up, rubbed a hand over her butt, and a few strokes later I was covering her sexy arse in cum. A quick clean up, more chat, exchange of money and then away. Most certainly will be back here!
