The Premises:

Located in an apartment block with entry system. Very quiet, no-one watching your every move and felt very safe. Bit tricky to locate but once found easy to gain entry.

The apartment itself was very clean with an en-suite to the bedroom allowing for a shower both before and after the serious action.

The Lady:

I'd decided to visit her once I heard how bubbly and cute she was on the phone. So many other girls just sound like they are going through the motions on the phone but she was a breath of fresh air.

Sara is a very sexy young lady. Blonde hair, piercing sexy eyes and a wonderful cheeky smile. She also has a wonderfully athletic body which is very responsive if you know which buttons to press.

I would have her listed as "Sexy, Sensual Sara" but she can definitely do the "Slutty Sara" act too if you want ;-)

The Story:

Upon arrival, Sara greeted me with that beaming, sexy smile and offered me the chance to shower which I naturally accepted. My philosophy has always been "the cleaner I am, the dirtier the girl ;-)"

Once we moved into the bedroom Sara turned on all the charms. First a long deep session of DFK while our hands softly explored each other's bodies before tumbling onto the bed. Boxers and lingerie discarded, our tongues then teased each other as we both move close to and then back from the point of explosion. After a bout of sensual foreplay I knew the well was ready to empty and with Sara's hand guiding me I exploded, covering her in my cum from pussy to chin. Wow!

Once we'd freshened up and enjoyed some light-hearted chat it was back to business as the condom was popped on and we really went for it. Being deep inside that wonderful pussy was divine, and hearing Sara's moaning with each stroke while thrusting in a variety of positions. So much so that it brought me to an intense orgasm as I pumped my cock deep inside her. Wow again!

A quick shower and some final french kissing ended an exceptional date.
