The Lady:

Maddie is just as she appears on her profile - except even better in the flesh a very attractive lady with a wonderful smile and a body built for sin

The Story:

I had first come across Maddie in Manchester where she is a regular at the gangbang parties held there - she is fast becoming the star readily offering anal DP and DVP to large groups of guys - 10 at the last party and just her !

Maddie admits to being a nymphomaniac and loves being the centre of attention at these events so when I found out that she works as an indie I couldn't wait to see her again - so when work found me down in a Stoke hotel for the night it was time to arrange a 1-1 meeting communications were spot on (she was more than happy to agree to any requests i had as we had met before)and Maddie arrived on time looking very much like the intelligent sophisticated lady she is - wearing a nice dress and nice make up

began with a nice lingering kiss before she encouraged me to remove her dress - WOW !! instead of wearing any knickers Maddie was wearing a large butt plug !!!

"i thought I would get my arse ready for you on the drive over" she giggled

soon we were both naked and into 69 where I licked her beautiful fanny whilst she gave me some great OWO

Maddie covered me up and slid down until i was in her pussy cowgirl and she rode me energetically with the butt plug still in place until Maddie took the butt plug out of her arse (christ it was massive and really stretched her)and said "time for you to enjoy my arse"

so she impaled her arse on my cock and carried on bouncing away until i could hold back no longer it was now time for some recovery - for me anyway - so Maddie treated me to a toy show with her Rabbit and of course the buttplug was reinserted

apparently she loves DP and with some help from her soft hands and tongue I was eventually good to go again

this time doggy anal where Maddie was gripping the sheets - fast slow quick quick slow was the pattern and Maddie was very vocal and active during this extended butt banging session - i loved the way she would look round with a big smile on her face

i collapsed - she collapsed and then we both started laughing
plenty of time for a chat and a cuddle were Madison told me about some of her life and her adventures

Maddie did her best to get me up her arse again said she fancied some more ! but although we managed a bit it was nothing like the first 2 rounds - my fault
a shower together during which she told me some more of her exploits at another party (13 guys including a bbc) before it was time for her to leave - not before she had reinserted the butt plug -
going to another booking she said so i want to surprise him like i did you
so in summary a very attractive sexy intelligent lady who clearly enjoys having sexual adventures
