### The Premises:

Easy to find apartment in Bayswater, not to far from the station. Cosy inside and comfortable. Good facilities and very accomodating

### The Lady:

Shea is definitely the girl in the pictures and she really does have that figure. There may have been the usual touching up on the pictures, but there's very little "slimming down" done. She has a great body. Very big, very soft and surprisingly perky natural boobs and lovely skin. She does have a small scar at the bottom of her tummy, but it's not off putting at all. She's really quite petite too when you meet her in the flesh, short, but very well proportioned. Her English isn't bad, not the best, but we got along fine and shared a few laughs.

### The Story:

I would usually have a problem with the fact that an escort I see wasn't wearing at least a little makeup to glam up a little, but with Shea, she really didn't need it. She is a very naturally beautiful young woman. In fact, when I look at her "selfie" on Angels of London website, and I see her in her make-up, I have to say I prefer her without. Someone should tell her this!

The circumstances of her being without make-up were a tad disappointing however, I will add this much. Whilst she was freshly showered etc. she hadn't really gone to any trouble to get herself dressed up for me in lingerie or anything. She had on a robe. Not a problem for me when she removed it anyway, I have to say! As I mentioned earlier, her body is stunning.

Down to the action. Her OWO skills are very nice indeed! She gets things going nice and deep, alternates her speed and technique and she's able to go quite deep really (I especially like this because I'm quite long and it rarely happens) I had already agreed on CIM with her at the start, and I very nearly did after only a little OWO to tell the truth, but I had to try out some more of this beauty.

Sex with her on top, was like many girls with big boobs, marvellous. Her boobs look especially nice and they were a delight to play with. I took her from behind, and then in missionary, all very much to her pleasure too I do believe. And we ended with some more of that OWO, with the inevitable

conclusion.

Shea is a great punt for just £150! Pay the extra for CIM though, it's really worth it!
