### The Premises:

A nice enough flat near Euston with shower facilities. Discrete and easy to find. Emma always gives very clear directions.

### The Lady:

Emma is stunning. Small and slim, she a bond babe with large fake breasts, but they feel great. She is pretty with large red cock-sucking lips and a really pretty face. She's really hot. She dresses in whatever you ask for and always looks super hot.

### The Story:

Emma was fantastic. This was the third time I've seen her which tells you something. I just keep coming back because she's so good.

What I love about Emma is that she delivers everything promised (sex, OWO, CIM, swallow, Anal, deep throat, filming, role-play etc etc!) and does so eagerly. Like most of us I've visited enough girls who promise but don't deliver, but Emma delivers everything in spades. she's a real sex machine and can't get enough.

She also looks fantastic with her awesome slim figure, great breasts, sexy face and ruby-red lips; as soon as I see her I want to fuck her.

She seems to love cock-sucking and certainly knows how to give pleasure, and she happily swallows every drop. Then she begs for more and asks you to fill every hole. Well, I happily obliged. Her role play was fantastic, she really entered into the role and made the whole fantasy experience a lot of sexy fun.

I also love that with Emma you can film your time together with her face showing, and after this encounter I have an amazing 30 minute porn film with me and Emma as the stars, it's fantastic. She's not the cheapest (£200 plus 50 for the filming) but because she really delivers she's totally worth it.

I can't recommend her enough.

Emma, come back to London soon! I need to have you again! Dave / HungHedonist
