The Premises:

Very smart and clean apartment. Made good use of her powerful shower.

The Lady:

Julia was wearing an eye catching low cut dress. Showing off a great pair. I was getting hungry for them as soon as I entered her place. Big real tits and tight curves, what is not to like?

The Story:

Giulia comes across as a classy type. As soon as I got out of the shower I helped her out of that dress. Kissing her and grabbing those tits, rubbing her nipples. Got her warmed up.

She sucked me nice and hard and very sloppy. My precum dripping off her chin. I fucked her over the bed, she moaned and this spurred me on. Banging her hard. Before pulling out, ripping off the condom and glazing those big tits.
