The Story:

Finished my meeting early so arrived earlier than the appointments time so called and asked if I can move my appointment forward. Was moved 15 minutes early. At the exact time I pressed the buzzer and door leading to the lifts opened for me. When I got to the apartment was greeted by Mina herself and she led me to the room.

Honestly I can just sit and chat with this lady forever. Proper girlfriend experience. She asked me what floats my boat and I told her which happens to be what she enjoys too. The blow job was absolutely out of this world. Smooth with steady rhythm which almost drove me to the very limit. I was practically begging her to let me be inside her.

Being inside her was another level all together. Her moans as she is enjoying every minute of it was enough to make me cum. Her eyes were staring deeply into mine even as she was thrusting in and out. I can not describe the feeling other than saying it was blissfully exciting and very enjoyable.

Took the condom off and asked for that sensational bj and which she gladly oblige. If you have never tried getting a blow job while the giver is staring at you then I suggest you try it. It wasn't long before I exploded all my load in her mouth. If I wasn't in a hurry to go I would have booked her for another hour. I just cannot believe people like her exist. Exceptionally fantastic time with Mina. Thank you so much
