The Lady:

she was small but perfectly formed nice breasts and a great arse. She must have been on holiday as she had tan lines which actually looked really hot.

The Story:

She was friendly and smiley and very welcoming. i was in a little bit of a rush as had dinner so i didnt have much chance to chat with her. I explained that to her and she seemed happy with that and proceeded to kiss me and undress me. she kiss me through my boxers before pulling them down and then let me undress her kissing her body as i did.

Soon she was giving me an excellent blow job before i was on her tits and feeling up that great arse. I got to fuck her three ways and finished off fucking her from behind in a spooning position.

a quick shower and i was gone in 40 minutes. arrived at my meal happy and fulfilled.

highly recommended as she gave me exactly what i wanted.
