The Story:

My first visit to Jamie, but OMG what a Babe! Sexy as hell. Good looking with a hot body.

Jamie realised I was only here for one thing, as the massage was non existent and she just focussed on my balls and totally hard dick throughput. I was in heaven. This girl knows how to handle dick and god can she tease till the very end. I've seen pretty much all ego has to offer and she is my no 1 at the moment. The body to body is to die for. If she had let me enter her I would have blown my load immediately. She is so hot, I really wanted to fuck this babe, but that's not allowed at ego. Instead I let her build me up to a massive organs at the end of the 45 mins amazing. I'll will book longer next time! Lovely girl, great body, stunning, and knows how to give you a massive orgasm!
