The Premises:

The place was just a few minutes walk from Pimlico tube station and very easy to find. Discreet, too. Inside it was up to the usual high House of Divine standards. I arrived at 2:55 and had a shower before meeting Bethany.

The Lady:

Bethany is a lovely petite 29 year old brunette who if she didn't tell you her age, you would have thought she was a few years younger. She has fantastic natural breasts and a shaved pussy. She is very smiley and friendly and you just know from the very first moment you meet her that she will be a mixture of fun and filth in the bedroom!

The Story:

Once I had sorted out the money, we lie on the bed and Bethany asked me if there was anything I particularly liked. I said I liked having my nipples pinched and little did I know that her toy of the day was such a device! It deceptively hurt, in a nice way, and I couldn't take more than a few minutes of it. Bethany was playing with my cock as we chatted but then put it in her mouth and it felt superb. I asked her to put little kisses on my cock, which she did and was a real turn on. After a few minutes of some lovely OWO. I asked Bethany if we could 69 and she said it was her favourite thing. She tasted gorgeous and I could have carried on like that for ages but it was time for sex. Started off nice and slow and Bethany was pinching my nipples quite hard at my request, punishing me for being a bad boy. I loved it when she spoke in her little lost girl voice. she has an innocent look about her but don't be fooled. She is a minx in the bedroom! Then she asked me to fuck her faster and harder. With time running out, I asked her to finish me off by hand and she put some lotion on my cock and started wanking me. I tried to finish it myself but with no luck. This was no fault of Bethany's at all. My cock was still hard and would have loved to carry on but my finances and her schedule prevented that option. While getting dressed, had a nice chat with Bethany about my plans for the evening.

I would like to see more of Bethany in the future as she is such a lovely, beautiful woman and I would recommend her to anyone wanting fun with such a pretty and friendly woman. House of Divine is going through a golden age at the moment and Bethany is another great addition to the team.
