### The Premises:

Nice apartment not far from Durham City centre

### The Lady:

Very pretty young lady, with dark hair, a couple of very nice tattoos, large breasts and a very cute smile.

### The Story:

Arrived in car park and was given directions to door of flat.

Door opened and I was met by a very sweet, pretty girl. She was lovely to talk to, a very tender kisser, with a hint of naughtiness in her eyes.

I love giving oral and she was very happy to receive. Kept going until she came and that was lovely to feel her body pulse.

Sex was great in a few positions while she talked naughty asking me to do her hard.

She's the kind of girl I wish I'd met in my 20s and gone travelling around Europe to loads of festivals with.

Really sweet, very cute and a naughty streak.

Will be back, thank you Willow xx
