The Lady:

As described on her AW page, Tori is a good looking, sexy, curvy Northern MILF.

Long raven hair, big juicy enhanced bouncy tits, round booty, size 12.

A body made for horny fuckers like me!

She was wearing black underwear & hold ups & was fresh & clean.

She's also really friendly & welcoming, easy to chat to & instantly likable.

The Story:

First time seeing Tori but it won't be my last, would love a dirty hour next time to really savour this sexy MILF.

This was the best punt I've had on AW for absolutely ages.

Comms were straightforward, with prompt replies from Tori (not always the case on AW) which I appreciated & the whole thing was quickly set up & arranged.

In my experience she's as good as it gets on AW, professional, courteous, delivers the service she promises on her AW page, sexy as fuck & great value with her rates.

The meet was perfect for me, a really dirty GFE basically.

Some of the best kissing I've ever had on a punt, full on DFK right from the start which soon had me rock hard, a killer owo BJ, sloppy DT & ball licking & lots of tongue work.

Dirty talk thru out as well which was a big turn on.

She devoured my dick which was a sight to see & fantastic to feel, it was covered in her thick saliva.

Finger play, boob play (her tits are much bigger in the flesh than they look in her pics imo, soft & bouncy with big suckable nipples) loads of snogging then some mish which was great.

Always great to see a big pair of tits bouncing up & down.

Finished with her sucking my cock to completion, showing me the Cum on her tongue then swallowing it all before going back to sucking all the rest of my Cum out.

She definitely got all of it!

Needless to say I left floating on cloud 9.
Tori was genuinely happy to see me leaving fully satisfied.

If curvy, dirty MILFS or sexy 30 something babes with big boobs are your type or you just want a great fuck then Tori is totally recommended, especially with the rates she charges.
