The Lady:

Beautiful young blonde at around her 20's not too tall she was about 6ft tall hair a bit lower than the shoulder, she matched her photos quite well very good looking and charming.

The Story:

well, Sisi came over to my place at around 21:00 she was dressed very well looked really smart and sexy almost like a teacher, she came inside we started to talk a bit to bond a little and get a bit more comfortable, after a glass of wine both of us were much looser and happy so things started to flow naturally, we started making out and it felt great she was sexy and sturdy in every way it made the whole experience way more intense it was great to be with a young babe such as her, when that girl undressed she left me speechless I was really happy to see what I was getting and it did not disappoint me, great big ass and tits and as said before all of it very sturdy and soft, she was pretty good on her oral skills although I had some better, however, the way she rides it was unique and along those two hours she kept showing me something new every time it was an experience I am craving for more.
