The Premises:

Well known Small run-down walk-up flat at 75A Berwick Street . Quite dark, dirty and poor ventilation

The Lady:

Scarlett is mid 20 average looking lady. She has acne/blemishes on her face. She has long curly redish brown hair. Small tits hairy bush. She has porky belly. When she is on Cowgirl, you can feel she is quite heavy

The Story:

Having sorted out the finance for 30 minutes booking. She took off her clothes. I lay down on the bed she kissed my neck and tried to make me hard using her hand. I felt rushed. It took a while to get me hard then she put the condom on and she is on top riding. There was no eye contact and felt her pussy loose. I got soft and she tried to make me hard again but she gave up. She just gave me hj while kissing my chest. I cum after around 20 minutes. I found her service mechanical and passive. I need to tell her what to do next or she would not stop until you tell her. She went out to wash her hand. She came back and dressed up even I still had 10 minutes left before the time was up. We had a chat when I put on my clothes she went out to talk to another punter
