The Premises:

Nice and easy incall in Bayswater. Apartment was nice and tidy, clean and comfortable. It was hot in her room, because it's quite small, but it was a warm day.

The Lady:

Recommended Romanian girl for the £150 price range

Ely really does look like her pictures, although they are touched up a little. Not by much at all. I'd say that her age isn't entirely accurate, but not far off. Probably mid-late 20s. Cute body, nice natural curves, petite. Real boobs, quite perky and feel lovely. She has a very nice smile, and overall she's a very nice person. Likes to chat etc. although her English is only really conversational.

The Story:

Ely really does look like her pictures, although they are touched up a little. Not by much at all. I'd say that her age isn't entirely accurate, but not far off. Probably mid-late 20s. Cute body, nice natural curves, petite. Real boobs, quite perky and feel lovely. She has a very nice smile, and overall she's a very nice person. She hadn't really gone to town in her appearance unfortunately, but because her body looked so damn fine I didn't mind. She was dressed in those sport knickers and bra type things (probably Calvin what'sname) It gave the encounter a bit of a girlfriend edge to it, and it was clear that she was more relaxed because of it. Although I love it when they dress up, I do often wonder if the young girls feel a little self-conscious in some of their gear!

Didn't take long for everything to come off of course. Straight down to some heavy kissing and lots of touching. She's very sensual and knows how to touch you in the right way. No rush with this girl either. Her OWO is quite good. Looked at me the whole time, she was having fun and there was a little dirty talk too which was nice. I think her OWO was made all the better for me because I'd already paid her £30 extra at the beginning for CIM. But not yet!

We did it in missionary and with her laying on her front. She didn't want to go on top because I'm quite long, which was fair enough, her choice. I wasn't complaining and I don't want to hurt anyone. She's nice and tight, and really does get into the action. Finished with OWO and she took the whole lot CIM. Didn't stop and drove me crazy.

Nothing to complain about here for a £150 girl. She checks all the boxes for this category for me.
