The Premises:

Very neat and tidy. I was surprised at how easy it was to get to from the station and you could tell she made an effort to make the place look nice.

The Lady:

She looked exactly as she did in the photos, if not more beautiful. She could definitely be a model if she wanted to. Her body is amazing and everything about her turned me on.

The Story:

Lorain was an absolute treat. After a quick kiss at her door, we went to the bedroom and spoke about what I liked and what I was looking for. I am normally quite a shy person but she made me feel so comfortable that I actually started to get a bit confident. She took everything nice and slow and after a bit of initial grinding, she started the owo, which was amazing.

I had only paid for the hour so it took a lot of willpower not to pay to carry it on further. Will definitely be booking Lorain again.
