The Story:

Got to her flat gave each other a big hug and a kiss, then gave Dana her cash and she stashed it away, get all that out the way i can start ravishing her sexy body.

We removed each others clothes and started off with foot fetish i kissed the soles of her sexy feet and sucked her toes, she likes this and then i opened her legs and kissed and licked her pussy out for her i could hear her cries and moans in the pleasure i gave her and she came in my mouth she sucked my cock for a while i asked if we could do 69, she said yes, i joked we are doing tutti frutti 69, we did this for about 10mins and i wanted to fuck her.

She put the jonny on my banana beast and i shafted her pussy in mish, i lifted her legs in the air and sucked her toes, Dana is that fucking sexy i was struggling to hold it back and not cum, so we changed positions, Dana got on top and grinded my cock she loved watching herself in the mirror go up and down on my rock hard dick, i asked her if i can fuck her in doggy she positioned herself on all fours i slid my cock in her pussy and i drilled her pussy like crazy i talked proper fucking filth to Dana telling her she is fucking sexy and i love fucking her cunt for her, i was pouring out of sweat after banging her for so long i exploded a huge amount of cum in her pussy. I collapsed on the bed totally shagged out i needed a cool shower after that.

We had a nice chat and watched youtube clips for a short while,then we had another good fuck and i was well spent.

I took a shower,got dressed we hugged and kissed,i left her flat totally fucked and shagged out with a big grin on my face.

I highly recommend sexy Dana she is so fucking sexy you can't stop banging her,and to top it all she is a really friendly girl,
