The Premises:

The place was just a few minutes walk from Pimlico tube station and very easy to find. Discreet, too. Inside it was up to the usual high House of Divine standards. I arrived at 3:25 and had a shower before meeting Chelsea.

The Lady:

Chelsea is a beautiful blonde Lithuanian girl who I had been dying to see since seeing her on the way out after a session with Viva. She has the most amazing natural breasts you are likely to come across (more of that later!). She is in her mid to late twenties and the pictures on the website give a fair indication of what to expect. Her face is not shown on the website, though it had been a few years ago. She was very friendly when she came in the room and gave me a nice kiss on arrival.

The Story:

After the money was sorted out, I asked Chelsea if she would get on her knees and give me a blow job while I stood. This involved plenty of eye contact and at my request she planted little kisses on my cock. Her OWO is gorgeous. Then onto the bed where she gave me some more OWO and licked my balls, again at my request. She is very willing to please. Seeing her head bobbing with all that lovely blonde hair is a sight I won't forget for a long time. If ever! Again, plenty of eye contact from Chelsea. Then it was time for 69 and I could have stayed in that position till the end but there was no way I was not going to have sex with Chelsea after she had made my cock so hard. On with the condom and it was sheer heaven having nice slow sex with such a good looking woman. After a few minutes of missionary, she went on top and then it was back to the missionary position. Wary of the time, I had to stop and pulled out and she gave me a hand job before I stood up and came all over those beautiful breasts. I mentioned to her how wonderful a threesome with her Lithuanian friend Viva would be and should I get the chance, I hope to fulfill that dream one day. To summarize, it was a fantastic half an hour with a gorgeous woman, who is fun, friendly and gives a 10/10 service.
