### The Story:

Finished work ahead of schedule, rang about a walk-in and delighted to hear Mina was available. As soon as she entered the room, I was spellbound. Lots of great kissing, Mina asked whY I liked - when I said oral, she dropped to her knees and began sucking my cock. She's brilliant, tongue flicking and deep into her mouth. She told me to lie down for more cock sucking and plenty of attention to my balls. Great teasing with her fingers, more kissing and then more oral. Mina then asked could she rode my cock \_ of course I said yes. She climbed on and it was brilliant, tight pussy, bouncing tits. I then began to wank myself to a conclusion as she crouched above my cock - as I came she caught my load in her beautiful mouth. Perfect!
