### The Premises:

Roses Retreat is very convenient location and it has a rear entrance - easy and safe. The place is alittle tired but the shower worked great, the towel smelt clean and fresh and the room was comfy.

### The Lady:

Just like the photos, wearing a one piece lacey thing which really showed off her curves. Very friendly and put me at easy very quickly.

### The Story:

This was a great way to start a Sunday morning with 45 minutes of Jackie. She is very enthusiastic and made me the full focus of her attention (and everything else). The time flew by and it was very satisfying, I left with a big grin. Will definitely repeat if our schedules align. Thanks Jackie - great fun.
