The Lady:

Wow. Frankie is more pretty than a girl next door type. She's absolutely stunning. Beautiful skin and eyes. She was wearing a lovely outfit and high heels which she immediately took off as he was a good 6 inches taller than me either them in. Amazing body and beautiful pert breasts that were busting out of her top. I have a thing for long nails and hers were impeccable. I'll come on to that later!

The Story:

I wish I'd booked an hour with Frankie. She was amazing. I won't go into details but she was so amazing that I came well before I really wanted to. We tried again and her telling me 'fill my mouth with your come' was one of the sexiest things I've heard in years. She gave me a fantastic massage with her nails scraping down my back. God it was nice!

I will definitely be seeing Frankie again and Thankyou for returning to Milton Keynes!
