The Story:

I was in the area and decided to arrange a quick punt. Called the agency and they found my a lovely girl who takes half hour bookings in the area but it was incall. I tend to prefer outcall but was horny and needs must! I met April on short notice at her Edgware flat, which was clean and discreet. She greeted me enthusiastically and hurried me in, asked me to shower and when I entered her bedroom she was already naked. She ushered me over, kissed me (no tongues unfortunately) before giving me a nice quick OWO. I was conscious of time so got her to hop on top of me, only switching positions a couple of times before I finished.

I enjoyed my time but it was of course rather rushed but that's my fault for only booking a 30 min. Hot girl, friendly probably would recommend.
