### The Premises:

Easy to find, been there before. Ground floor flat near Next.

### The Lady:

Size 14, a bit of extra weight but shapely. The pictures on the website aren't accurate. They are likely her but a good few years ago.

### The Story:

Arrived and was shown to the room by Emma (very sexy).

Veronica entered and I was immediately wishing I'd booked someone else.

She was older and heavier than her profile suggests.

I decided to make the best of it. Light kissing, no dfk offered, OWO a bit basic, sex in a couple of positions.

I wouldn't say it was a bad punt, she just wasn't sexy and ultimately not what I expected.

If late 30s girls are your thing she'd be great but not for me.

Annabella's really should make sure the pictures on the profiles are recent.
