The Lady:

Lorenza is a very beautiful Russian girl, she looks exactly the same in pics on her profile.

She looks like glamour model

Lorenza is in her mid 20s

Her english is ok, i had to partly use the google translate, i have an accent she would not be familiar with.

Lorenza is a naughty and playful girl i had lots of fun with her

The Story:

The booking was all done by texts, the receptionist was excellent. I made my way to her flat we greeted each other with a hug and a kiss, i was blown away how sexy she looked in her bra and panties. Got the cash sorted out the way, then on with the naughty fun with Lorenza. I massaged her sexy feet and sucked her toes whilst she smoked a cigarette, after she had finished her fag i removed her panties and licked her freshly clean pussy out for her, Lorenza's minky tasted like honey i couldnt stop eating it out for her i asked Lorenza to sit on my face and she sucked my cock OWO, we did this for quite a while and she came in my mouth, yummy yummy.

She put the jonny on my cock and i fucked her in multiple positions she talked filthy in Russian, fuck knows what she was saying but it sounded hot and really turned me on. I shot my load banging her in doggy she has a great ass i spanked it lightly for her.

We had a chat and some laughs and then on to round 2. I fucked this hot blonde really hard in loads of positions, i spooned her pussy for a long time and finished off with CIM, i really enjoyed shooting my last drops of jizz in her mouth

I payed extra £30 for CIM, it was well worth the extra dosh

Lorenza is a great fuck i highly recommend her.
