### Details of Service Provider:

### The Premises:

Nice little place in West Kensington, near the underground station, discrete and clean. Lady Maya was hospitable and offered me nuts and alcohol or a shower, she also offered a massage after, I could tell she was doing what she could to make it a great experience for me, I guess this is all part of the high-class package.

### The Lady:

Another classy girl with a dirty and filthy way about her, she certainly markets herself as "high class" and classy but could quite easily pass as girl next door, I don't mean that in a derogatory way, she was very down to earth and friendly, looks quite average without makeup but done up she perfect for secretary or school teacher fantasy scenarios as she does scrub up very well and is a very educated woman by the sounds of it. Beautiful dark skin and hair, slender and very sexy.

### The Story:

The sex was pretty PSE, she kept screaming and having orgasms, I don't know how much was real but either way it was a turn on and she is pretty wild and very enthusiastic with it, which makes a change from some of the girls I have seen. I read that she had recently done a couple of duos with Stormy London which I have heard have been very good so I am very tempted to do that as apparently they make a very good team and are both similar in their enthusiasm and wildness.

Maya has a Beautiful body, she looks different to her photos but such a lovely, polite and vivacious woman that I wasn't annoyed at all, her photos on AW and her site are VERY classy and so I'm fully aware photo shoots differ to everyday life and that she is not going to be wearing evening dresses with her hair all done up when she opens the door! A very beautiful pussy and nice natural tits, the most wicked eyes, certainly something exciting about the one! Ultimately, she is a very sexy woman who offers a great service.
