The Premises:

Another easy incall booking in Bayswater for me! Clean and tidy, very comfortable with good shower facilities etc.

The Lady:

Biank looks like her pictures, although her hair seems a little redder than in the pictures. It's a truly stunning colour. She's also much slimmer than her pictures seem to represent. I'd say her age is accurate.

The Story:

Answered the door in tiny, matching tartan panties and bra, that made her look fabulous, especially when combined with the lovely colour of her hair (a little shorter than the pics I'd say, and much more vibrant in colour. Biank was very friendly, and if I wasn't mistaken, a little shy at first. It was very appealing either way. Communications weren't the best, but she speaks reasonably good conversational English. A good sense of humour and up for fun.

Speaking of which. Her OWO is pretty good, and it's pretty deep too. No CIM with this girl is offered, but to be honest I wasn't that bothered. I'd already seen another girl at lunchtime and had that with her. I spent a lot longer having sex with Biank. She felt marvellous. No complaints about length or anything like that with Biank, she was just really into it. She actually likes it right up to the hilt and it feels really nice. She's good on top too and likes to do plenty of work. Took her from behind for a while, before having her finish me with some more OWO and handjob.

A very highly recommended young lady from me. For just £150 it would be a terrible shame to miss out!
