The Premises:

Fererra's place is a few minutes walk from Bayswater station.

Her place is at the attic of an old building.

The flat is clean and shower was offered.

The Lady:

- Pictures are accurate but some element of photoshop which is expected.
- Naturally pretty though her hair was all tangled up, an indication that she may not have washed her hair for a few days....

The Story:

- Kissing was light, if you're into DFK she's probably not for you
- She kept telling me that she was tired which was fine. I just asked her to keep sucking me rather than moaning. She got on with that ok after a while
- The sex was actually very good, we tried a number of positions and I was hammering her from behind for a good 15 minutes
- Finished with more OWO / Handjob, good finish in the end
- Had a little chat afterwards, didn't rush me out which I was happy with
