### Details of Service Provider:

### The Premises:

Ibis Hotel Bermondsey. Easy to find and right near the station.

### The Lady:

Older lady but nicely dressed and she clearly looks after herself, incredible fake breasts and very nice looking pussy. Elegantly dressed with very nice lingerie on for me. I wasn't expecting a Northern accent as I imagined a well-spoken, posh accent but she was very down-to-earth and easy to get on with. Lovely, long blond hair, nice figure, photos are a pretty good real-life presentation.

### The Story:

A fun and sizzling hour with this mature lady. Lady Phoenix was enthusiastic and confident, lots of eye contact and I could tell she was enjoying herself too, this is always important to me, we certainly had some chemistry but I usually do with girls who love their job. We had a good laugh, again, this is important to me, I can't stand it when I turn up and a WG is miserable or moody, we all have off days but I expect some professionalism. We had pretty straight, vanilla sex before work one morning, it certainly put a spring in my step, she's quite filthy and would pretty much try anything I asked for. The sex itself was pretty PSE and just what i needed, nothing crazy went on but I do know I can rely on this woman for a good service.
