The Story:

I was close to booking Axelle a couple of times last year, but I never got round to it. I saw her recent selfie and that was the clincher.

The booking was done by texts, easy. I got to Axelle's flat we hugged and kissed, she was very pleasant and welcoming. I took a shower, dried myself, went on the bed, removed her painties and licked her pussy out for her, she loves her minky be eaten out and she came in my mouth. She then sucked my cock OWO, licked my balls and I fucked her mouth, brilliant.

She put the jony on my cock and I fucked the living daylights out of her in all my favourite positions, mish, spooned her, t-square, doggy and I fucked her whilst I was standing up with her arms round neck and her legs round my waist. I also sucked her toes during our great fuck session. I shot my load banging her in doggy.

We had a chat and smoked cigarettes, then had another good fuck and I finished off blasting my jizz all over her nice tits. She made an older guy feel young again.

I took a shower, got dressed, we hugged and kissed, I left her flat a very happy man.

I highly recommend this glamour babe to other punters.
