The Premises:

Nice apartment on Warwick Way in Victoria, first floor so nice and light and breezy, quiet and peaceful.

The Lady:

I found Stormy has to be one of the most interesting girls I have met, her personality is what popped out first really on her site but also in real life, as well as those amazing tits of hers, in fact her whole body is just lovely. I am not interested in being dominated by her but she told me all about her wrestling job and showed me some moves and I can see how it could be erotic and a turn on for some. It was clear how she got that toned, strong body and I did notice her very sexy thighs first too! In my opinion she is more attractive in person than in her photos, she has a timeless look and is incredibly pretty and feminine.

The Story:

Stormy was excited about her new place in Victoria and it showed as she offered me a drink and some nibbles and showed me around. I wasn't interested but it was nice to be asked. We went to the bedroom and she got right in to it, no time-wasting tac-tics with this girl! My god, she has an incredible mouth, very soft lips and tongue and a great BJ and HJ technique, she should teach other girls how to do the perfect BJ! Stormy is also a very passionate and sensual kisser which was a big turn on for me. If you want DT she will do that too, some girls say that can do it but can't, this girl knows the tricks! Then we got on to the sex, admittedly I had seen her pussy as I saw it on her AW, in real life it's even better, what a stunning pussy and it tastes delicious, she actually tastes sweet and when I told her that she said she had been told many times before, I was not surprised. Not only nice looking but very tight (which I was surprised about, clearly she has not had kids but she does state that on her AW) she gets very wet too. I don't know if she is a squirter but she does get very wet which was a massive turn on for me! We did all kinds of positions and she was brilliant in all of them, enthusiastic and very into it, she was sensual, dirty and pretty passionate which was like a mix of GFE and PSE.

I have been seeing WGs on and off for about three years now (and once or twice when I was in my 20s) and would say there is something very genuine about Stormy which does make her seem different to most girls, she is spot on when she says she sees people as individuals, as stated on her AW, I didn't feel like a client with her, more like an old mate or lover. I will see her again as well as a duo with Lady Maya, as I have now read a few things about those two together and they are certainly two of my current favourites, I will definitely be saving up from now!
