The Story:

How often do you get a chance to see a UK porn star at these prices? It was the thrill of getting up close and very personal with someone you can see on pornhub that made Dollee my choice today. She was a real revelation - extremely friendly and keen to please. We discussed what she did and didn't offer - no issues from me - and importantly what I liked. Very soon Dollee dropped to her knees and took my cock into her mouth. Didn't take long for it to grow hard for her. Looking at her in the mirror just added to my excitement. We moved onto the bed for more cock and ball sucking before we began to fuck - reverse cowgirl and cowgirl worked for me. I asked Dollee if I could wank to a finish - she wanted me to give her a facial and she helped me to a great climax, working my balls until I splashed her face. Excellent time with a great girl.
