The Lady:

Zoe is an ebony-skinned British lass, late 20s although she looks younger, around 5-5 and curvy with a full bottom that will delight those with a penchant for ladies with a larger derrière. She's good-looking, with bright smiling eyes, and a cheerful, sunny disposition. She has shoulder length hair which, when I met her, was up in a bun on top of her head.

The Story:

Like many of the ladies at 00.44, Zoe works part-time as an escort. As usual I had made the booking for a naughty schoolgirl roleplay, and while Zoe hadn't much experience of this kind of thing she was enthusiastic about the challenge, even bringing her own uniform to wear. With two hours available we certainly ticked off lots of options, with Zoe cheerfully following my lead even when she encountered some less expected activities, such as a trip to the bathroom for some foreplay while sitting on the toilet! Zoe kisses full-on and was happy to let me explore her body, and her OWO was great. After an adventurous session Zoe lay back on the sofa as I climaxed over her breasts.

Zoe was good company, very chatty and we had a good laugh together before and after the schoolgirl fun. She's not quite my physical type, being a little fuller-figured than the kind of girls I normally go for, so I'm not sure I'll see Zoe again; but I can certainly recommend her to those who would like to meet a young lady with a bottom you can really get to grips with and who seems up for most things!
