### The Premises:

### The Lady:

Diane seems to get more beautiful each time I see her: long fair hair, shining eyes you can lose yourself in, very kissable lips. She is mid-20s, around 5-5, slim with full, soft breasts and pale, unblemished, soft skin. An English rose!

### The Story:

Diane arrived at my flat for our usual schoolgirl roleplay, and after a good chat to catch up over a glass of wine she disappeared into the bathroom and emerged shortly as a very sexy schoolgirl. No special uniform, but a tight white blouse unbuttoned at the neck to reveal a black bra and the tops of her full breasts, a tight black skirt and stockings. I helped Diane put on a tie I had brought with me, and then stood her in front of the mirror to admire her. Breathtaking! During the following few hours we indulged in all kinds of sexy naughtiness, and since Diane and I have seen each other before and know what turns each other on, it all became very hot indeed! As with any great GFE it's not just about the sex, of course: Diane is fantastic company, articulate, knowledgeable, and funny, and every now and then we took a break for a chat and some more wine. But Diane does enjoy sex, so after each break we quickly returned to more DFK, OWO, exploring each other's body, and some fetish play. For most of our meeting we were in the living room, which had a very large mirror on one wall that came in very handy! But towards the end of the meeting Diane suggested we go through to the bedroom, where I slipped on a cover and entered Diane, and we finished locked together in missionary.

Diane is a wonderful young lady, and my meetings with her are very special to me; I can't wait to see her again.
